DON'T LOOK
OVER THIS DIRECTION
... AND JUST RAISE
YOUR HEAD.

YES....

Was there
this kind of posi-
tion in the original
script....?

I cannot
remember anything
properly...

But... I don't dislike the fact that I'm showing him my embarrassing place...

Maybe if I was the one that did all of these positions...

Maybe all of the erotic positions in the drawing... Is.... based on me as a model?

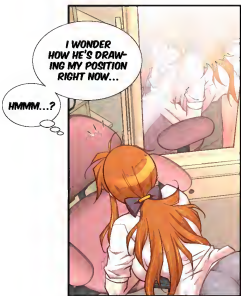

I did this every time in this kind of embarrassing position in front of teacher... whenever he asked?

What kind of positions were there...?

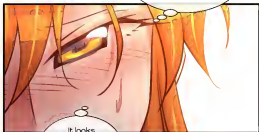

Just imagining it makes my body hot....!

Mongil...
No, I can see
the teacher's
face!

So he was
staring at me with
that kind of expres-
sion, huh...

It looks
like he's in
euphoria or
something...

W... Wait!
What's his other
hand doing?!

Could it
be... that he's
masterbating while
staring at me...?

Maybe
it wasn't for
the original
script...?!

The reason why
he told me not to
turn around was...

N... No way!

파르르

I'm getting excited just thinking about him enjoying the sight of my body....!

파르르

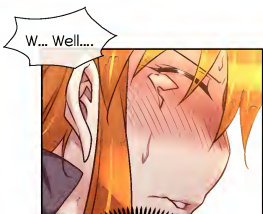

파르르

This stimulating feeling is making my body react to it!

H... Has it always been like this? Is that the reason why... that I entrusted my body to him?

M... Maybe I'm the kind of woman...

Ah... Well... If
that's it I suppose...
How do you want
me to...?

What is this...?
This stimulating
feeling is suddenly
draining away...

**JUST STAY IN
THE SAME POSITION...
AND TAKE OFF YOUR
PANTIES.**

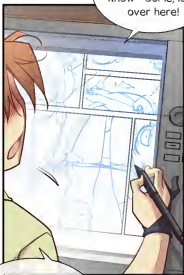

Y... You can
see everything
if I do that! G...
could it be...

That you're
doing this on
purpose because
you want to see?!

I have to
resist! Otherwise, my
body will react to the
expectations!

N.. No! I really need it you know~ Come, look over here!

The next scene has a place where the heroine takes off her panties you know~

Y.. You can block off the important part with your hands...

I'm going to put censoring on it anyways so I don't need to draw those parts...

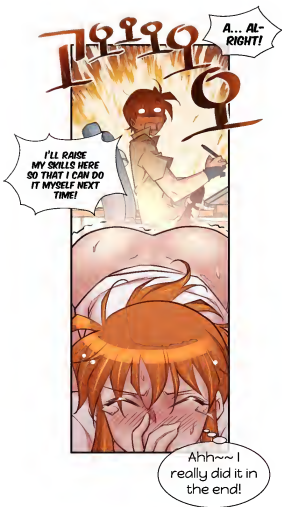

B... But I can't take off my underwear in front of a guy...

I can't!
I Have to resist...

I did it
myself, and
I still can't be-
lieve it!

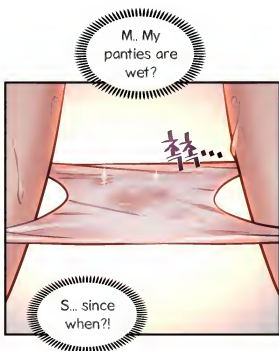

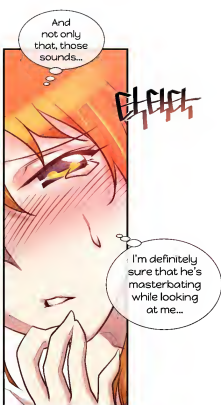

Can
I really do
this?!

I just took
off my underwear
while someone was
watching, and now
I'm showing him
my bare ass...!

B... But I
still like this
electric feelings
that rises up....
No I love the
feeling....!!

Could it be
that it got wet
while I wasn't watch-
ing? W.. What if
he notices?

No... He
must've seen
it already!

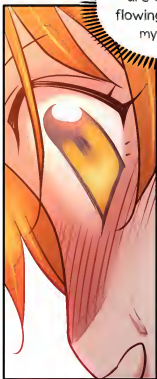

T.. That
means...

미끄-

Ahh... As
expected!
Why didn't I
notice?!

M.. My fluids
are constantly
flowing... between
my hands...

He must be
seeing it...that I
must be feeling
something...!

저러-
저러-

I can't stop
.... my fluids
are completely
drenching my
hands!

음...
음...

The
moment I
noticed it, it
started over-
flowing...!

I wonder
what he thinks,
while looking
right now?

Maybe he will
misunderstand that
I enjoy these kind
of things..?

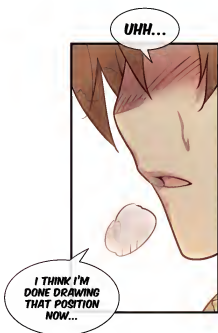

M.. Maybe
it's not a misun-
derstanding..

I think I'll
agree to anything
he asks of me
right now.

He's staring at
me as if he's going
to penetrate me! He
is not moving an
inch either...

But it's quite hardcore...

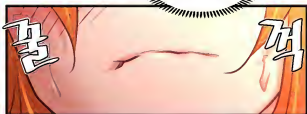

So I can't quite ask...

HE'S LEADING IT, SO THAT I SAY MYSELF THAT I CAN DO IT...

IF I SAY I WANT TO STOP HERE, I CAN STOP!

I SHOULD REFUSE...
